Description: The international bestselling series with over 5 million copies sold in the U.S. alone!Several years have passed since the apprentice and his master, Will and Halt, first met, and Will is finally a full-fledged Ranger with his own fief to look after. The fief seems sleepy?boring, even?until Lord Syron, master of a castle far in the north, is struck...

Review: This fifth installment takes place five years after from where book four has left off. Will is now a full-fledge Ranger managing a fief of his own until he is sent to the north to find out if the rumor is true about a sorcerer who has come back from the dead, per se. Once again, the story is good and entertaining, but my excitement is cutoff for it...
